This is the highest award in the Club presented to an individual. It was a great thrill for Carl and me to be there when Al received it. The P.N.W.R. should be extremely proud of Al.

Glen Mounger, assistant director of P.N.W.R. receiving the Tarnopol Trophy. (This trophy is presented to the region which had the most notable participation in the CARavan of the previous summer.)

The rest of Saturday evening we showed films of the CARavan and celebrated with Al. Sunday morning there was a farewell breakfast, again hosted by the Oil Belt Region. It was nice to slow down and spend a last few minutes visiting before everyone departed for home.

Looking back on this Annual Meeting, it was very gratifying for the P.N.W.R. to receive recognition as a group and for a member. The Annual Meeting, as always, proved to be a really good time and the Oil Belt Region was a terrific host.

**AS THE DIRECTOR** for the Region, I want to thank Glen Mounger and Carl Bomstead for their excellent coverage of the Annual Meeting, and to congratulate Al McEwan. We are all very proud of you and glad you are a member of our club.

**A SPECIAL THANK YOU** to Mr. Fritz Gechter, owner of Magna Color Press, Inc., for his generosity in the printing of Bumper Bolts.

Best Wishes,

The members of the Oil Belt Region really knew how to show us a good time. On Friday evening they hosted the cocktail hour, followed by a dinner with guest speaker Mrs. Marion Dietrich. Mrs. Dietrich, wife of Raymond

Dietrich, the late famous auto designer, had many fascinating stories to share about her husband's design techniques, customers and competitors. She is a very interesting lady and was a treat to listen to.

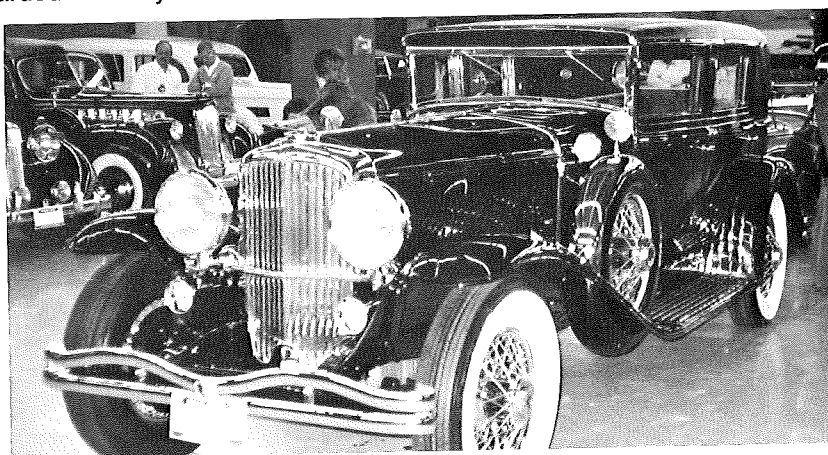

Saturday morning was taken up by a publication and regional relations meeting which Al McEwan attended on behalf of the P.N.W.R. All three of us from the P.N.W.R. participated as judges. Again, the Oil Belt Region hosted the judges' lunch and briefing. Carl and Al were on the same team and had some real heavies, including Jerry Moore's '34 Packard and the bright orange Packard Dietrich 904 Victoria that won first in its class at Pebble Beach this year. The quality of the cars was excellent and this exposure to national judging was a lot of fun for all of us.

Saturday evening was another hosted cocktail party and the Annual Awards Banquet. Carl and I joined a table with Al McEwan and Mort Bullock. Our old friends from the CARavan, Irv and Elli Davis, Chris Bock and national director Matt Sonfield also joined our table. And what a table it turned out to be – we could never finish a conversation without being interrupted to have someone go pick up an award. Irv Davis of Southern California probably picked up the most awards, but we (the P.N.W.R.) had the quality. Beside taking the first in the Tarnapol Trophy (Presented to the region which had the most notable participation in the CARavan of the previous summer), Al McEwan received the "Citation of Distinguished Service".

The Citation for Distinguished Service is presented by the nationally-elected Board of Directors to that club member or members who, in the Board's opinion, have distinguished themselves through exceptional leadership, vivid imagination and rare organizational ability in inspiring their associates in the fulfillment of worthwhile club goals. The Citation is not necessarily awarded annually.

Katie Robbins, president of CCCA, made the following speech in presenting Al with the award:

*"The CCCA Citation for Distinguished Service is the highest honor the Classic Car Club of America can bestow on one of its members. The recipient of this years award was instrumental in starting and building the Region. His love of automobiles can only be compromised by his love for people. He would bend over backwards, at any time, to accommodate a friend or acquaintance. He is quite a person! He was director of his Region in 1964 and 1966. He has shortened the distance between the East and West and has been instrumental in transporting many Classics west. He can talk Classic Cars by the hour and you would find each Classic more interesting than the last, but usually of the foreign persuasion. He took the Classic Car Club of America to the Pacific Northwest. He has coordinated 4 Western CARavans – the first in 1970, the second in 1974, the third in 1978 and the fourth in 1982. Hopefully the fifth will be in 1986. I am delighted to present the Classic Car Club of America Distinguished Service Award to Al McEwan, of the Pacific Northwest Region CCCA."*
