Welcome to the Reboot of the Bumper Bolts!

This newsletter is designed to keep the members of the Pacific Northwest Region of the Classic Car Club informed of events that are upcoming and to provide an insight into decisions that the Board makes about events and activities. This vehicle is engineered to complement the Bumper Guardian; while the Bumper Guardian always reflects on the events that are in our rear-view mirror, the Bumper Bolts calls attention on the events yet to come to aid member planning.

As this is the first issue in a year or so, it is important to explain the gap. And, no, we cannot blame everything on Covid! The Bolts got its start a couple of decades ago with much the same purpose as it has now: to inform members of near-term events. At some point, the newsletter was abandoned until Val Dickison recognized the value of the enhanced communication. When Val passed away, we have found it to be difficult to fill all the roles she played in our club. And the Bumper Bolts went quiet. We hope to be able to live up to the quality level set by Val and dedicate this publication to her memory.

The first quarter of the year is a time to fit in non-driving events given the vagaries (vulgarity?) of the weather. If you are planning to step on an airplane in the next few minutes, perhaps the National Annual Meeting is on your go-to list. The Breakers Hotel is in a gorgeous setting and well worth the experience, but it is on the other side of the country.

Set for the end of the first week of January, this Annual Meeting will be a welcome change from the virtual meeting that was our appropriate choice in 2021. Omicron willing, it provides a warm escape.

Auction Week Party – January 26, 2022
Paradise Valley, Arizona

A reception will be held as part of the Auction Week festivities. Contact Kim Pierce and Kristy Ryan for details.

Griot's Restoration Shop and America's Car Museum – March 5, 2022
Tacoma, Washington

CLASSIC CAR RESTORATION SHOP

Griot's Motors provides restoration services for collectible vintage and classic cars, as well as custom car fabrication.

We realize every automobile is unique, and no two projects are ever the same. We're passionate about executing your vision, whatever it may be. Before beginning any project, we will talk at length with you about your goal and vision for your automobile and how we can most effectively serve you. From just wanting your car to run better before the spring and summer months to restoring your vehicle completely, we'll make sure every component is carefully disassembled, documented and correctly restored. Our goal and passion is to keep our clients cars where they belong, on the road.

PNR CCCA FINANCE REPORT

The Club is in a solid financial position and the expenses for our fiscal year ending on October 31 matched out income for the same period. Here is a breakdown of cash flow for the club in 2021:

Income and Expense by Category 11/1/2020 through 10/31/2021	
INCOME	
B.G. Advertising	\$3,548
Dues 2021	\$7,960
Investment Income	\$13
Regional Event Income: Board Meetings	\$520
TOTAL INCOME	\$12,041
EXPENSES	
Administrative Expenses	\$416
Board Meeting - Food And Drink	\$379
Bumper Guardian Printing	\$9,430
National Event Expense: Hershey Set Up	\$200
Printing: Directories	\$469
Regional Event Expense	\$1,159
TOTAL EXPENSES	\$12,054
OVERALL TOTAL	-\$13

Over 95% of our income in 2021 came from member dues and from advertisements placed in the Bumper Guardian. Against that income, most of the costs of operating our club come from printing the Bumper Guardian.

Kudos again are due to Karen Hutchinson and Ray Loe for producing a perennial favorite of CCCA publications and achieving both a dedicated and grateful readership within our region, but also in amassing awards and recognition nationally. It is certain that we benefit from additions of out-of-State members who want to benefit from a copy of the Bumper Guardian in their mailboxes every quarter.

So, the Club is in great financial condition, and we seek to maintain this through the upcoming years.
