## Our Next Events are Coming Right Up!

Our April sojourn took us (Seattleites) North to enjoy the always impressive tulip fields. Now we are moving South for events in the month of May. These activities are back-to-back over the next two weekends and are simply not to be missed.

### Leventon Collection

Coming hot on the heels of this newsletter is a visit to Ron Leventon's collection in Chehalis. His is both a large collection of special automobiles and a vast display of model trains. This will be the first time the Club has ventured to Ron's collection, and we very much appreciate his hospitality. More detail for this event is on page 2 of this Bumper Bolts edition.

### Thunderdome Museum

Combined with LeMay Club Auto, the very next weekend is a repeat run to the Thunderdome Museum in Enumclaw. We will gather at the Greenfield home for spirited discussion and a donut or two, then travel back roads to the museum to enjoy the impressive and diverse collection with an emphasis on speed.

# PNR CCCA FINANCE REPORT

We are at the 6-month mark and here is a run-down of the Club finances. In the first half of the year, we are still in positive territory due to the collection of member dues and the strong response to the Holiday Party's silent auction. Our membership has been supported brilliantly by Keenon Greenfield and we have the contributors and all attendees of the Holiday Party to thank for making the auction the best ever. Currently, we are \$1,920 above the start of the fiscal year (November 1) and we project a loss for the year of a few thousand, great for a non-CARavan, non-Grand Classic year.

# CCCA GRAND CLASSIC

WESTLAKE, TEXAS

Please join us October 14th and 15th for the Texas Region Grand Classic in Westlake, Texas. We will be holding our Grand Classic in conjunction with the annual Westlake Classic Car Show, benefitting the Westlake Historical Preservation Society. We will begin our weekend on Friday afternoon with a tour of two wonderful car collections. Buses will depart our meet headquarters hotel, the Westlake Marriott for the impressive Packard collection of Dr. Angelo Mendez. From there we will tour the wonderfully diverse and ever-changing collection of David Disiere, where we will have cocktails and dinner. Buses will return to the hotel where we invite everyone to enjoy socializing in our hospitality suite.

Saturday our cars will be placed in a special section of the Westlake Car Show for judging and enjoyment by visitors to the Show. Our reception and Awards Banquet will be at the hotel and again followed by informal gatherings in the hospitality suite. Westlake is a booming suburb of Dallas and Fort Worth, just a few miles north of the Dallas-Fort Worth International Airport and a half hour from Love Field. It is in the center of a hub of new major corporate headquarters, including Charles Schwab, which recently decamped from San Francisco, along with Fidelity Investments and Deloitte University. There will be plenty of parking for those who trailer their cars. We look forward to seeing you and sharing some genuine Texas hospitality!
