Bumper Bolts 2022

June and July Are HOT!

At least from the car event perspective, we are really rolling in events, so there are plenty of opportunities to get out and about with your Classic or just out to join your friends. The weather has not been in full cooperative mode, but it will come around. A lot has happened already of late, and all is chronicled in the world-famous Bumper Guardian. As a look into our future, and to report on the doings of the PNR Board of Managers, look no further than the pages that follow.

We have a couple of localized gatherings that are very special and low-key events that are worth note. In June, the Tunnel Days in Skykomish will prove to be a fun jaunt, only a bit over an hour's drive from the Puget Sound area, fun, food, parade, cars. July will see two more regional events that have PNR participation: The McEwan famous 4th of July parade and the Mercer Island block party on the 17th will give us other opportunities to mingle. And the Forest Grove event marks the only Concours left in the Pacific Northwest.

Get out and enjoy!

Have you ever thought about why theme parks can snap a crystal-clear picture of you on a roller coaster going 70 mph, but bank cameras can't get a clear shot of a robber standing still?

NEXT UP:

- June 11th 1933 Horch talk at Hagerty Garage and Social, limited to 25 CCCA attendees.
- June 18th is Tunnel Days in Skykomish. It is about a one-hour drive on Highway 2. Caravan from Monroe? Parade, BBQ lunch, train rides!
- June 18th also will have a motorcycle show hosted by the LeMay Family Collection
- July 4th is the return of the traditional Yarrow Point Parade and celebration. Bring a significant car and candy to throw at the kids. Hot dogs, drinks, dessert are all available after the parade for a nominal fee. Parade starts at 11:00; come by 10:00 to decorate and get a spot in line.
- July 13-17: Stutz/Pierce Arrow Tour of Whidbey Island; all Classics are welcome.

- July 17th Forest Grove is the longest running Concours in the Northwest, a great event.
- A popular date, July 17th will also feature the Mercer Island informal car gathering's 19th year. Contact Tom Alberts for more information.
- August 27th will feature the LeMay Big Bash Car show at the Marymount Collection. Tours to the LeMay home will be possible and a shuttle bus will manage the transportation.
- October 1 and 2 will be the Mahogany & Merlot event in Lake Chelan. We are not certain if a car event will coincide as it has in past years. David Smith will check.

PNR-CCCA Board Business:

- *The Board talked about the PNR-CCCA Motoring Classic Kickoff which will be held at the Hagerty Garage and Social with registration of the cars moved are now 11:00 am to 1:00 pm. At 1:30 the participants of the Motoring Classic are planning to depart. Expect light snacks.*
- *David Smith brought up the idea of revisiting the Naval bases on Whidbey and the peninsula. Other possible targets for a Club event are a tour of the Boeing assembly line and a possible chance to get a tour of the Blue Origin facilities. We will move this forward.*
- *Al McEwan brought up the elephant in the room given that we approved in May to support a 2023 CARavan. Al pointed out that it is good for the Region and good for the hobby, but it is a lot of work. The suggestion was to craft some combination of the 2010, 2015 and 2019 treks and so we would look to start in Kirkland and head to Eastern Washington and on to British Columbia. Limit would be 50 cars. Al would be the decider, but delegate some of the more time-consuming responsibilities. Dates and routes to be the first focus.*
- *Al moved and Steve seconded electing Brian to be the official Club Secretary. Frank tied Brian's arms, so the vote was unanimous.*
- *Warren Lubow has not been able to carve out the time to be a Manager of the Club. Tom Alberts was nominated and voted in by a unanimous approval. Welcome Tom!*

The PNR-CCCA Facebook page is a testament to Irene and Jim Tait for finding interesting cars and building a lot of followers of the club. If you have not visited the site, check it out at www.facebook.com/CCCA.PNR.
