An Ending of Summer, but Still Plenty of Events!

Now 10 months into the Club's 2022 year (we measure from November 1 to October 31), we have improved on the number of events over last year and have more to go. 2023 looks to be even busier with a CARavan featured starting September 11, 2023 and roaming the backroads of Northern Washington and British Columbia. Watch for the notice in the National CCCA publication. Of course, there will be lots of day-trip events and opportunities for our Classics to shine. Look too at attending the Southern California Grand Classic planned for May 4-7, 2023 at the Allegretto Vineyard Resort in Paso Robles of the Central Coast wine country – think Hearst Castle area. Lots of wineries in the neighborhood; there are too many to sample, but we can always try!

But the 2022 year is not over so look at the events listing on page 2 of this edition of the Bolts. We are closing in on a plan for the Annual Meeting the first week of November, so keep the Club in mind and we will send out more information shortly.

A new study recently found that humans eat more bananas than monkeys. I can't even remember the last time I ate a monkey.

NEXT UP:

Nearly making it onto the official schedule above are some events to consider.

- October 1 and 2 will be the Mahogany & Merlot event in Lake Chelan. We are still looking into the question of a coinciding car event as in previous years.

- October 9th. We just got word that our wonderful members Denny and Bernie Dochnahl will be hosting a car gathering for Ferrari and Classics again at their home in Lake Kathleen. This is the celebration of the 1-year anniversary of the Ferrari Club in the Pacific Northwest.
- **This Just In!** October 22nd will feature a Fall Fling tour with a country roads drive into the Cascades foothills to Index, WA for a light lunch at the historic Bush Hotel.
- October 23rd will be a celebration of life for Cliff Eberly, a longtime supporter of our Club and a kind and gentle soul who could puzzle out any issue with a member's car.
- **November 5th is the date for our Club's Annual Meeting.** This year, the meeting will be held at the Hydroplane Museum in Kent. A note will come your way shortly requesting an RSVP.

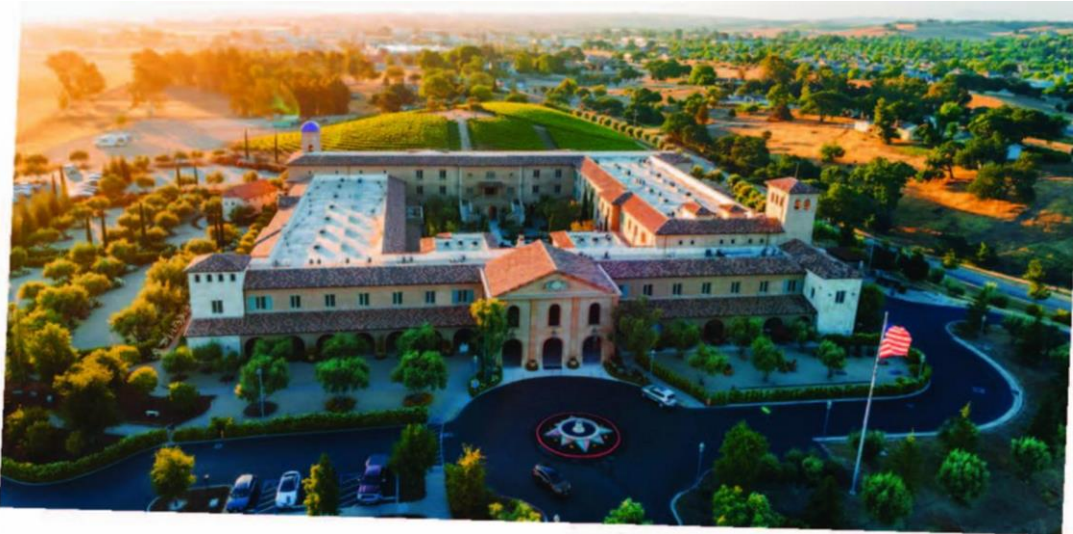

Set aside the date for an evening with friends, a tour of the museum, food and drinks.

The Pacific Northwest Facebook page is closing in on 1,000 followers with frequent posts for cars from our region and beyond. Thanks go to Irene and Jim Tait, Irene for the diligence and Jim for his taste in cars! Here is a recent posting celebrating a recent Pebble Beach winner. Check out the posts on www.facebook.com/CCCA.PNR.

A Grand Classic Just Down the Road

The Southern California Region is holding a Grand Classic in the Spring: May 4-7 at the Allegretto Vineyard Resort in Paso Robles. Check out the National CCCA site for details. Go, enjoy the cars, enjoy the wine, visit Hearst Castle. It is a great setting for a Grand Classic!

And CARavans at the Corners of the USA in 2023

The Florida Region is planning a Spring CARavan from April 15 through April 22. This is organized as a double hub event centering on the Titusville area and Ocala.

Our own Pacific Northwest Region is planning a CARavan for September 10-19, 2023. We will loop through some of the most scenic roads in the world, spending two days at each location as we visit parts of Washington State and British Columbia.
