## Teasing the PNR CARavan!

2023 will bring an exciting return of our region's CARavan. Under the able direction of Al McEwan and supported by our leaders Stan Dickison and Frank Daly, this is guaranteed to be a terrific event.

For the careful reader, it will be noted that this issue is dated 2023 #1 even though it is still 2022. The National CCCA collects the regional newsletters and their publications review year starts now. But to make sure you are really ready for the new year; we will give some plans for 2023 so you can be ready to go as we progress into January.

Note that the Annual Meeting is just around the corner and will be held at the Hydroplane and Raceboat Museum in Kent. This meeting will announce the Board Managers and Club Officers for 2023. And the Holiday Party on December 11<sup>th</sup> is coming up; you should expect to see an invitation in your mailbox shortly. Please RSVP for this event to be again held at the Seattle Yacht Club.

Given that I just got over a cold – *Dear Sneeze: If you're going to happen, happen. Don't just put a stupid look on my face and then leave.*

NEXT UP: Finishing off the year, there are two Club events to go and a few community events tied to our cars that are worthy of consideration.

- **November 5<sup>th</sup> is the date for our Club's Annual Meeting.** As announced in other missives, the meeting will be held at the Hydroplane and Raceboat Museum in Kent. Food and drinks are supplied, and our own David Smith and the Museum Director David Williams will be on hand to tell stories and answer questions. Considering the strong ties between the Puget Sound Region and the art, the sport, and the history of the hydroplanes, it is well worth the time.

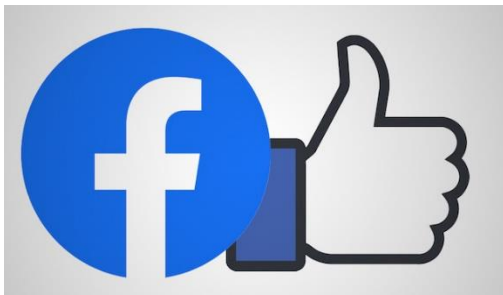

- **December 11<sup>th</sup> is the date for the Holiday Party.** Place the date on your calendar for the Holiday Party, this year again at the Seattle Yacht Club.

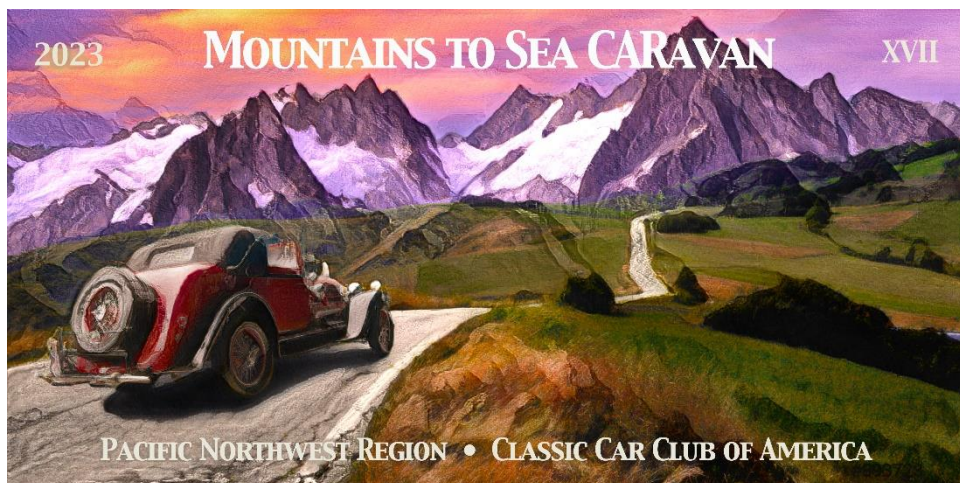

***Please see if you have any donations for the Silent Auction. Contact Irene Tait at 206 234-9507.***

An obvious Classic that is likely the closest you could come to the CCCA logo, a 1933 Chrysler Imperial CL Dual Windshield Phaeton by LeBaron! Check out all the posts on [www.facebook.com/CCCA.PNR](https://www.facebook.com/CCCA.PNR).

As mentioned earlier, our own Pacific Northwest Region is planning a CARavan for September 10-19, 2023. We will loop through some of the most scenic roads in the world, spending two days at each location as we visit parts of Washington State and British Columbia. Our Region has planned and executed more CARavans than any other Region!

*Thank you, Al and Sandi McEwan.*
