Board of Managers' Meetings:

1st Wednesday at
The Danz Garage, Totem Lake, Kirkland
5:00 Social Gathering, 6:00 Dinner/Meeting.
Minutes on the web and available upon request.

Wait 5 Minutes!

Record high temperatures, colder than normal. Low total rainfall, thunderstorms. Clear skies, smoke from surrounding wildfires. Spring is here, then it is not. If you don't like the weather, wait a couple of minutes and it will change. This seems to be the most schizoid Spring on record and not the best for planning car events for our Classics. But there is always next week.

So, while we await the weather to accommodate our unique form of wanderlust, there are some opportunities in these pages. Bil Deibel is selling his trusty Packard 1940 Club Coupe. Well-equipped, and perfectly maintained, it is an opportunity to own a reliable and comfortable Classic (Page 3). There are also pieces of petroliana from Gary Johnson's collection that are looking for a new home. See Page 4 for the contact information and acquire some fine automotive items to add to your collection.

Hmmm, I found a strange piece of plastic on the floor that looks like it broke off of something, but I have no idea what. Better save it in the junk drawer until I die.

Is it wrong that only one company makes the game Monopoly?

Watch for last-minute events planned for June. Nothing is on the schedule at this point, but we are looking into some possible gatherings. Remember, the first Wednesday of every month is a Board Meeting, which is a great place to mingle and see your club in *ACTION*.

- *Unfortunately, the Mercer Island Cruise and Car Show, scheduled for July 23rd has been cancelled for 2023.*

There are a few more spaces on the fabulous Pacific Northwest CARavan. Sign up soon; preserve your spot. See the last page for the sign-up sheet. Fill it out and send it to National.
