Transitioning to 2024

Cha-cha-cha changes. The weather is changing in fits and starts and it is time to launch the Club into a new fiscal year. This change will be marked by the Annual Meeting coming up on November 1st. Do try to come as we will have a special dinner and a rousing election of managers and officers. Timing and location is listed at the lower left of this page.

There are several events still to come in the calendar year. Our Holiday Party and auction will be held at the Seattle Yacht Club on December 10th and invitations will be hitting your mailbox shortly. There are also events happening at the LeMay Family Collection plus our favorite toy drive on December 3rd.

Someone posted that they had just made synonym buns. I replied, "you mean just like the ones that grammar used to make?"

I am now blocked.

It's the time of year again for us to spread a little joy throughout our local community with creative, spooky, and wacky decorated vehicles! We would like to invite you to be trunk hosts at our event.

Our Trunk or Treat Event is a community favorite, and we are excited to host it again this year!

Trunk or treat participants will take their families through our Marymount grounds with your decorated trunks staged along the route. All trunk hosts will be spread out throughout the route to maximize the experience.

How can you help as a trunk host? Well, thanks for asking! We will need your help with:

- **Candy donation**-We are asking all Trunk Hosts to bring a minimum of 1000 individually wrapped pieces of candy. Please drop the candy off by October 12th in order for us to get an accurate count of candy.
- **Monetary donation**-Can't make it early to drop off candy? No problem! If you make a donation, we will happily buy it for you.
- **Encourage your friends** or other club members to be a Trunk Host!
- **Help Decorate!** Leading up to the event we need volunteers to help decorate and set up the route.

Please fill out the Trunk Host form and email it to us ASAP if you will be able to participate as a Trunk Host this year. Businesses and car clubs are welcome! You can hang banners on your trunk display.

LeMay America's Car Museum Update

by Jerry Greenfield

It has been a very busy summer at ACM. The celebration of the 75th Anniversary of Porsche opened in April. 600 plus people were waiting for the doors of the Museum to open that Saturday for the Grand Opening. Hundreds of Porsches covered the Museum Plaza and every parking lot as far as one could see. The exhibit will continue to rotate the cars being displayed and will remain until April 2024 at which time a major Japanese Car Display will be unveiled. The big event of the summer was the GALA, which is the major fund raiser of the year. This is a glitzy gown and black-tie affair which sells out yearly and raised over \$1M used to keep the Museum doors open.

September also featured Wagonfest, an event limited to Station Wagons attracted nearly 300 vehicles to the Haub Show Field. Keenon Greenfield was the only PNR CCCA member present showing her 2014 Cadillac CTS Sport Wagon. This event was co-sponsored by Avants Car Club, an up-and-coming organization whose focus is DRIVING! This event was a major success and will return next year. October 6th ushered in a unique Corvette display honoring the 70th Anniversary of America's Sports Car. Friday evening was a private showing for exhibitors and Concours Club Members. Saturday the Plaza was filled with Corvettes and hundreds of viewers were waiting for the Museum doors to open. If you haven't been to the Museum recently there are many new displays. Come and have lunch!

Join the growing number of CCCA Museum Supporters doing estate planning to help this fabulous World Class Museum, which we are so fortunate to have right here in our community. Check the Museum web site for the calendar of future events.
