Enter the Dragon

The Lunar New Year is upon us, and we again get to enjoy a *Year of the Dragon*. That said, there will be nothing dragging about the events and opportunities at the PNR CCCA!

- Coming up quickly is the visit to the Heritage Flight Museum on February 17. See the flyer in this issue for details.
- If you want to see the impact of the rains on Los Angeles, the CCCA Annual Meeting in Huntington Beach is March 20-23.
- We plan to tiptoe through the tulips once again in April. As the time grows closer, we will check the growth status of the blooms.

I still have a full deck; I just shuffle slower.

CCCA Annual Meeting

This year's annual meeting will be held starting March 20th in Huntington Beach, California.

This is a great way to see the activities managed by our National Club and meet some of the finest people in the world.

Encourage our very own Frank Daly as he seeks election to the National Board. There will be very special collections in the Los Angeles area to visit, a Grand Classic to experience, technical seminars, and more.

LeeAnn Farrell (1934-2024) passed away peacefully at home on January 19. She and husband John McKenna were long-time, very active members of the PNR-CCCA. John passed away in 2005.

Dr. Guy Boswell (1925-2024) passed away earlier this year. Members Terry and Barbara McMichael observed: "He was such a wonderful person! Always had a twinkle in his eye . . ." Members may know the Boswells as they worked to build up and improve the All-British Field Meet from the show's very start. WWABFM will honor Guy at their 2024 event.

Forest Grove Concours Weekend July 19th-21st

The Forest Grove Concours d' Elegance has been a tradition for 50 years in the Pacific Northwest. For many years our CCCA Region has supported the event by supplying cars and Judges. An avid group of enthusiasts meet up at The LeMay America's Car Museum Friday morning to tour back roads to Forest Grove. It is a drive what you like weekend. You may drive a Classic, a Collector Car or even modern iron. We will depart on Friday, July 19th and return on Monday the 22nd. You may coordinate your choice of vehicle to enter it into the Concours or you can volunteer to serve as a Judge. Saturday morning is a coffee cruise in and a Wine Country Tour followed by an evening Banquet. Sunday is the Concours featuring 300 cars.

Our activities center around the Best Western Hotel, Forest Grove, Oregon. Reservations fill up early so don't hesitate to reserve now. Dates are the 19th -21st of July, 2024. We are known to celebrate in the hotel parking lot as well as enjoying reserved dinners at McMenamins, which is located just 3 blocks from the Best Western.

Feel free to call Gerald Greenfield at 253-653-5060 with any questions you might have. Also go to the Forest Grove Concours web site for Concours info. July will be here before you know it. Don't hesitate!

Save the Date: February 17th

Come join us for a tour of the recently re-opened Flying Heritage Museum (formerly the Paul Allen Collection). This is a terrific collection of war planes and combat equipment and we will have a docent-led tour. Make sure you RSVP for this event, only two weeks away!

Best of the West CARavan 2024

May 13-23, 2024

PLEASE JOIN US as we visit some of the most beautiful areas in Northern California. This is a modified Hub Tour, avoiding freeways, searching out back roads and keeping the average daily mileage to 110 miles. This is a great tour for early Classics. We are prepared to store your car well in advance of or after the tour to help you save on shipping expenses or enjoy other West Coast events.

What to Expect

For most touring days, in addition to scheduled stops, we'll provide you with a list of choices along the route. There will be opportunities to add wineries, antique stores, museums, shopping, spas, balloon rides, even white water rafting in order to tailor parts of the tour to your liking. Overall, we plan to show you the Best of the West.

Sacramento

We start our tour in the State Capitol staying along the Sacramento River, walking distance from "Old Town", the Crocker Art Museum and probably the best railroad museum to be found. Sacramento has one of the easiest airports to use in the State. This area forms the

beginning of the Delta, with its confluence of multiple rivers and its Mississippi River feel. We will spend two nights here at the beginning and one night here at the end of our journey.

The Gold Country

The discovery of gold in California not only changed the history of the State but it changed the history of the United States. Imagine finding flakes of gold, or better yet, gold nuggets in the nearby streams. Not only did that happen, it sometimes still happens today as the Sierra Nevada streams and rivers rush through the granite mountains. The second part of our journey takes us slowly up into the foothills. We will spend one night in Grass Valley, home to the Empire Mine. We will then head past Auburn and Placerville

and stay at the Murietta Inn and Spa. We will spend three nights here using this comfortable and modern Inn as the launching spot for visits to the heart of the Gold Country and its beautiful and quaint small towns. While in the area we will see some great treasures, including the magnificent Giant Sequoias, which grow only one place in the world, the western slope of the Sierra Nevada Mountains. Along the way you will learn how to pan for gold, visit the actual spot that gold was first found and get to examine a 44 pound gold nugget.

Napa Valley Wine Country

As one of the most visited tourist spots in the Country, we have used local knowledge to give you a closeup view that few get to see. We will stay all four nights at the Archer, a wonderful

boutique hotel in the center of downtown Napa. Shopping, great restaurants, wine tasting will be a short walk away. We will begin with a visit to the rugged Northern California coast and of course, a visit to a grove of California Coastal Redwoods. Our following days will be filled with a wonderful car collection, great food, incredible wineries, back roads and some special treats. On the final day we will take some very interesting roads back to Sacramento for our final banquet.

Activity Fee

The Activity Fee will be \$1800 per person and will cover most meals (about 25), great special events, wine tastings, entry fees, trouble truck, and more. This fee may be paid in two equal installments, so long as the final payment is made **by March 1, 2024**. The fee is fully refundable on or before March 1, 2024 and NOT refundable thereafter.

Please pay the Activity Fee to NorCal Region of CCCA in care of Johnny Crowell, 2874 Fieldview Terrace, San Ramon CA. 94583.

For more information, contact Johnny Crowell: 925-963-5835 or Norman Schwartz: 925-932-3477.
